

Academic Project Timeline

4-Month Project Timeline

Month	Week No	Dates	Remarks
Month-1	Week-1	01/01/26 – 04/03/26	Work on creating an report.
Month-2	Week-2	10/03/26 – 20/06/26	Work on project
Month-3	Week-3	20/06/26 – 30/09/26	Work on project
Month-4	Week-4	30/09/26 – 30/12/26	Complete project & submission

Project Brief: I developed a *Student based Management System* as my academic project. The project helped me understand the full software development and enhanced my coding and problem-solving skills. I used software tools such as **HTML, CSS, JavaScript, and MySQL**. Overall, the experience was interesting and improved my teamwork and project planning abilities. Feedback from faculty was positive, appreciating the functionality and presentation of the project.
